Construction Will Continue During Winter Along I-80/94 In Gary

Project Scheduled For Completion in Summer 2011

GARY, Ind. – The Indiana Department of Transportation (INDOT) will continue work over the winter as the project to expand lanes on I-80/94 (Borman Expressway) moves forward.

The ramp from southbound I-65 to westbound I-80/94 is now closed so crews can rebuild it to tie into the expanded lanes on the Borman. That closure is expected to be in place until May 2011. Traffic on I-65 will be directed to eastbound I-80/94, northbound on the State Road 51 (S.R. 51) ramps back to westbound I-80/94.

INDOT reminds drivers to use caution and consider worker safety when driving through a construction zone. For the latest news and information about INDOT, please visit <http://www.in.gov/indot> or <http://www.trafficwise.IN.gov>.
